

During the week of May 23-27, 2016, parking in Lot 1 is free! Make sure that you are not parking in Lot JJ spaces, but if in Lot 1 spaces you will be able to park all day without charge.

Once in the Art/Sociology Building, take the passenger elevator* to the 4th floor and step off to the right, turning right again down a short hall and through double doors. At the end of this hall (at the red wall) go in to the door on the left (Room 4213). The Collaboratory is just through the wooden door to the left. (301)405-3183 if you get lost.

*The passenger elevator is accessed from the main entrance (off of Tawes Plaza) in the Lobby (to the right); if coming from Mowatt Parking Garage or Lot 1, head to the atrium and look for this elevator on the far side (somewhat obscured by the free-standing concrete staircase).
